I was charged twice for my subscription.

Classifying Ticket...

TICKET CLASSIFICATION

Category: Billing

Priority: High

Reason: The user is reporting a financial discrepancy regarding an erroneous double charge for their subscription, which requires urgent attention and resolution.

Generating Customer Support Response...

CUSTOMER RESPONSE

Subject: Urgent: Support Ticket Regarding Your Subscription Charge

Dear Customer,

Thank you for contacting our support team, and please accept our sincere apologies for the inconvenience caused by this double charge. We understand that financial discrepancies are concerning, and resolving this for you is our top priority.

To help us investigate and process your refund as quickly as possible, we need a few details to locate the duplicate transaction in our system.

Step 1: Provide Account & Transaction Details

Please reply to this email with the following information:

1. Registered Email Address: The email associated with your subscription account.

2. Transaction Dates: The date(s) the charges appeared on your statement.

3. Payment Method Details: The last 4 digits of the credit card used, or your PayPal email address

Step 2: What We Will Do Next

Once we receive this information, we will take the following steps to resolve this for you:

1. Verification: Our billing department will locate the duplicate transactions and identify the error.

2. Refund Process: We will immediately initiate a refund for the second, erroneous charge.

3. Confirmation: You will receive a refund confirmation receipt via email.

Please note: Once we process the refund on our end, it typically takes 3 to 5 business days for the funds to reflect back in your account, depending on your financial institution.

We appreciate your patience and cooperation as we work to get this sorted out for you immediately. If you have any other questions in the meantime, please do not hesitate to ask.

Best regards,

[Your Name/Company Support Team]
